A Month And A Day: A Detention Diary

Synopsis

This is the extraordinary and moving account of Ken Saro-Wiwa's period of detention in 1993, and is also a personal history of the man who gave voice to the campaign for basic human and political rights for the Ogoni people. It was fear of his success that made Saro-Wiwa the target of the despotic Nigerian military regime. Arrested on 21 June 1993, ostensibly for his part in election-day disturbances, he describes in harrowing detail the conditions under which he was held. He writes of his involvement with the Ogoni cause and his instrumental role in the setting up of the movement for the survival of the Ogoni people. --This text refers to an out of print or unavailable edition of this title.

Book Information

Paperback: 256 pages

Publisher: Penguin Books; 1st edition (January 1, 1996)

Customer Reviews

This is a classic text that chronicles the degrading and dehumanizing process of intimidation of by a dictatorial regime embedded in repressive antics and deviously blood-thirsty. This book comes from the lived experience of Ken Saro-Wiwa, Nigeria's foremost environmentalist and literary writer. He, it was who led his Ogoni people to challenge the environmental degradation of their environment by the Anglo-Dutch Shell corporation through gas flaring, oil spillage and soil degeneration, and the exploiting gimmicks of a militarized centralist and thievery regime. In this work Saro-Wiwa, chronicles his role, in the evolution of the history of the struggles for relevance and records the methods of organization and mobilization of the Movement for the Survival of Ogoni People (MOSOP) into a vibrant, virulently vocal and highly feared movement. This work derived from the author's contact with the evil of human authority, hence it is a direct a product of his experiences with the malevolent human-evil-forces that were unlynched against him and the struggle. The

experiences reminisced here is just one of his many in the series of unwarranted detentions in the hand of the evil regimes of Ibrahim Babangida and Sani Abacha in unkempt cells of the Nigerian security apparatus in different cities of Nigeria. On another occasion- the detention from which he smuggled this book out to be printed- he would not come out alive. He would be "judicially murdered" by the junta whose guns were brought by the sweat of humble and victimized tax-payers like Ken- representative of repressed Nigerians- and from the money derived from oil that springs from underneath his Niger-Delta homeland-including his Ogoni group.
