Courtroom Evidence Handbook: 2016-2017 Student Edition (Selected Statutes)

Synopsis

Designed both for law student advocates and students enrolled in traditional evidence courses, this handbook provides full coverage of courtroom evidence procedures, rules, and law. It contains the Federal Rules of Evidence, including recent and pending amendments; offers rule-by-rule commentary, serving as a mini-treatise on federal rules; and covers objections and responses. It is indispensable for students participating in a mock trial, going to court as part of a clinical program, or trying to understand the law of evidence. It also helps students bridge the gap from understanding the law of evidence to understanding how to perform at trial.

Book Information

Series: Selected Statutes
