Media, Crime, And Criminal Justice

Synopsis

Become a critical media consumer with the help of MEDIA, CRIME, AND CRIMINAL JUSTICE. With the ever-increasing role of media in both reporting crime and shaping it into infotainment, the importance of the interplay between contemporary media and the criminal justice system is greater today than ever before. Author Ray Surette comprehensively surveys this interplay and showcases its impact, emphasizing that people use media-provided knowledge to construct a picture of the world and then act based on this constructed reality. He also provides a bridge between relevant mass media research findings and criminal justice practice, and corrects common misconceptions about the mass media's effects on crime and justice.

Customer Reviews

Required for class. The shipment was fast. Dr. Surette is my professor and he is pretty cool!

Book is not in good condition missing back cover.

It was a school text! was in great condition!

It's a text book. Not very interesting
