Customer Reviews

For everyone else wondering I finally found the names of pieces in this collection;Waiting for Godot, Endgame, Happy Days, All That Fall, Acts Without Words, Krapp's Last Tape, Roughs for the Theatre, Embers, Roughs for the Radio, Words and Music, Cascando, Play, Film, The Old Tune, Come and Go, Eh Joe, Breath, Not I, That Time, Footfalls, Ghost Trio, ... but the clouds ..., A Piece of Monologue, Rockaby, Ohio Impromptu, Quad, Catastrophe, Nacht und Traume, What WhereSo hopefully this helps people like me. I can't be sure this is the true list but it is what the manufacturer had listed.

This book arrived in a timely manner and in perfect condition. As stated in the description, all of Samuel Beckett's dramatic works are in this collection, and it totals over 400 pages. Highly recommend to fans of the Theater of the Absurd or dark humor.

What could be bad about all Beckett's plays in one book? Waiting for Godot 'the only play in which nothing happens, twice', Endgame 'playing for a certain end' and Krapp's Last Tape 'the reappraisal of a life' are all here, together with other gems.

We can find roots of rationalism in Beckett's logic. But he continues the logic till the end, where it transfers to illogic. that's why narrative as logical subjectivity falls apart and Beckett turns into theater. "being there" for Beckett is the theater. "I say it, as I hear it, I whisper it in the mud." @HOW IT IS

It is an excellent text! Has everything you need to be able to not only work on Absurdism as an artist, but to use it in an instructional environment as well. I would recommend it highly, thank you!!!

I bought this book few years ago, when I was still new to the writings of Samuel Beckett. Today, however I rate Beckett very highly. He has been an inspiration to many. I admire the unique and arcane atmosphere he is able to create with his characters, who frequently appear to be too intimate to one's entity. I also admire the illusion of straightforward storytelling and it's poetic repetition. I feel that he has given to the drama a new dimension and fresh originality. I often find myself spontaneously re-reading fragments or short paragraphs from this collection. It is a pity that those who appreciate Beckett's twisted perception of humanity are deprived of this volume.
