A True And Exact History Of The Island Of Barbados (Hackett Classics)

Synopsis

Ligon's True and Exact History of the Island of Barbados is the most significant book-length English text written about the Caribbean in the seventeenth century. [It] allows one to see the contested process behind the making of the Caribbean sugar/African slavery complex. Kupperman is one of the leading scholars of the early modern Atlantic world. . . . I cannot think of any scholar better prepared to write an Introduction that places Ligon, his text, and Barbados in an Atlantic historical context. The Introduction is quite thorough, readable, and accurate; the notes [are] exemplary! --Susan Parrish, University of Michigan

Book Information

Series: Hackett Classics

Paperback: 208 pages

Publisher: Hackett Publishing Company, Inc.; 10/18/11 edition (September 12, 2011)

Language: English

ISBN-10: 1603846204

ISBN-13: 978-1603846202

Product Dimensions: 0.5 x 5.5 x 8.2 inches

Customer Reviews

If you are interested in early Barbados and how the people lived and survived this is a ready you will enjoy. I did very much. I was disappointed that I didn't find much info on my family, the Howell family, but I loved reading about it's settlement. I'm glad I bought it thru and I will keep it in my library.

Richard Ligon's history and natural history of Barbados was much prized in the 18th century, and it remains important for historians in many fields.

Beautiful prose with opening section describing Ligon's life. So much of what Ligon has recorded on the mid 1600's still rings true in Barbados today, except for the landscapes which were so completely altered in his time in Barbados. Sad that anyone with such skill ended up incarcerated by

his associates' greed. This book is a reader in Barbadian schools, which is good as it does explain a lot of what goes on still today.

As a descendant of Irish immigrants, I am horrified to learn how my ancestors were treated and am amazed at the stalwart composure of these same people. I understand so much of how I am from how my bloodline has adapted and prospered in spite of this terrible journey that those of my past have had to endure.

Did not really know what I got in this book until I got it. It is a first hand account of a slave in the early years in Barbados history. It is readable and if you love Barbados like I do you will enjoy this book.
