Property/Casualty Insurance, A Basic Guide: For Adjusters, Underwriters, Agents, Brokers, Attorneys, Entrepreneurs, And Business Managers

Synopsis

A simple to understand book, written for business owners and managers, as well as for insurance professionals. It covers valuable and helpful information on many types of insurance policies, including terms, conditions, types of companies, specific policy forms, etc. There is information on the history of insurance, the various duties of many people involved in insurance, and what the various insurance policies cover or do not cover. The Glossary contains more than 460 legal and insurance terms to use as a quick desk reference.

Customer Reviews

If you want something in depth, this is not for you. It's a great review of the basics and has some background information some other texts I've read don't include.

Getting my 2-20 Florida insurance license was goal and to use this book for a review and possible study guide. That was a mistake. Book is way too generic and vague for any serious undertaking.

Barely used it for the class

ok
