Price Paid: The Fight For First Nations Survival

Synopsis

Price Paid untangles truth from some of the myths about First Nations and addresses misconceptions still widely believed today. The second book by award-winning author Bev Sellars, Price Paid is based on a popular presentation Sellars often told to treaty-makers, politicians, policymakers, and educators. The book begins with glimpses of foods, medicines, and cultural practices North America's indigenous peoples have contributed to the rest of the world. It documents the dark period of regulation by racist laws during the twentieth century, and then discusses new emergence in the twenty-first century into a re-establishment of Indigenous land and resource rights. The result is a candidly told personal take on the history of Aboriginal rights in Canada and Canadian history told from a First Nations point of view.

Book Information

Paperback: 240 pages

Publisher: Talonbooks (November 15, 2016)

Language: English

ISBN-10: 0889229724

ISBN-13: 978-0889229723
