USA TODAY Crossword: 200 Puzzles From The Nation's No. 1 Newspaper (USA Today Puzzles)

Synopsis

The Nation's No. 1 Newspaper offers puzzle-smiths the ultimate book featuring a new collection of challenging conundrums. "You can be sitting in the train working a puzzle but it can take you far away from the everyday. Before you know it you're at your stop or about to pass it. It's not like you were even in the train. It's something different, something removed from the ordinary."--Maki Kaji, The Japanese Times

Boasting an average of 60 word clues, each game is centered on themes such as Letters to Rome, Tax Credits, Opposites Attract, and more.

Customer Reviews

These are very good to do in the book. You can also do the new ones on a daily basis online and for free. However, the archiving of the puzzles is limited online for free. So the book provides you with a mighty dose of 200 all at once. The difference between Monday's puzzle and Friday's is not as dramatic as that seen in the New York Times. I can do all days of the week with USA Puzzles. They are challenging yet doable. They do get more difficult as the week goes on but it is very gradual. These are especially nice ones to play online. The interactive feature clues you when you make a mistake so you can catch yourself before you are too far astray. You can also turn this feature off if you want more of a challenge. Visit my blog with link given on my profile page here or use this phonetically given URL ([livingasseniors dot blogspot dot com](http://livingasseniors.blogspot.com)). Friday's entry will always be weekend entertainment recs from my 5 star reviews in film, tv, books and music. These are very

heavy on buried treasures and hidden gems. My blogspot is published on Monday, Wednesday & Friday.

This puzzle book arrived in a 5"x7" format. It is easy to hold. The print is crystal clear. I am 100% satisfied with this product, and hope to find others like this rather than the magazine-sized versions.

By far, the worst crossword edition I've ever used. It's the size of a small paperback novel with puzzles in small print, and the pages are bound in such a way that it does not open flat making it difficult to fill in the blanks. Only an idiot who has never worked crosswords could come up with this layout. The worst I've seen --- and I've been working puzzles for many years. Don't bother with this one, there are many better volumes on the market.

This book is exactly what you think it will be; good puzzles, moderate difficulty. Great way to relax at the beach or kill time on a plane or other lengthy travel sojourn.

I bought this as a gift to a friend that is in prison and he enjoys it. It passes the time and he works on the puzzles with fellow inmates. I will be purchasing similar books for him in the future.

USA Today is always consistent with the content of their puzzles. This book would be perfect with a spiral binding instead.

Not so easy that they are boring, and not so hard that they are out of reach. Just an engaging way to pass a quiet hour in the afternoon. I really like that there are 200 puzzles - this book has lasted me 6 months.

For a puzzle book, the binding was too tight and the size of the book made it very hard to use. Tossed it.
