A Matter Of Honour: The Life, Campaigns And Generalship Of Isaac Brock

Synopsis

Isaac Brock was the British general responsible for defending the long frontier of Upper Canada with meagre forces in the opening days of the War of 1812 between Britain and the U.S.A. He has been revered as the Savior of Upper Canada. Brock was a resourceful field commander who believed in offensive measures to keep his opponent off-balance and is probably best known in the United States for managing to cow U.S. General William Hull into surrendering Detroit, to that general's eternal shame. Jonathon Riley describes Brock's early days in the Channel Islands and his military career in Europe and the West Indies. He covers in detail how Brock prepared for war with the United States, the events of the capture of Detroit as well as the Battle of Queenston Heights, which cost Brock his life but from which he emerged as a major historical figure. The book includes an assessment of Brock's abilities as a general by an author who is himself a general with experience in various theaters of war.

Book Information

Paperback: 352 pages

Publisher: Robin Brass Studio, Inc.; 1 edition (May 15, 2011)

Language: English

ISBN-10: 1896941656

ISBN-13: 978-1896941653

Product Dimensions: 6 x 1 x 8.9 inches

Shipping Weight: 1.2 pounds (View shipping rates and policies)
