## Customer Reviews

We absolutely LOVED "Your Baby's 1st Word will be DADA" so we were excited for this Mama version but sadly disappointed! The animal noises are not realistic at all and we're not impressed by the handmade paper book.

I love the idea of this since my daughter LOVES her dada book and I often joke with my husband and read her it replacing the word with "mama". This book is soft covered and the quality is almost as if it's printed from a home printer. The illustrations were okay, but my daughter doesn't seem to enjoy it.

Exactly as expected. Cute story.

I added the pic of my favorite page. This is just so silly. I got this one for friend and my self. Along with the dada book for my husband on Father's Day. We love them both.
