Customer Reviews

I am a real fan of Debbie Macomber and have enjoyed her books, movies, and television series over the years. Purchasing this book was a must for me—even without any idea of what the designs would include. This coloring book depicts a number of scenes from various books, including: *Starting Now*, *The Inn at Rose Harbor*, *Love Letters*, *The World of Debbie Macomber*, *Blossom Street Brides*, *Silver Linings*, and *Rose Harbor in Bloom*. The designs show scenes taken from various quotes. The quote is on the preceding page. No characters are shown but the rooms and houses fit perfectly into what I have always had in my mind's eye for these stories. There are lovely views of the city, harbor, houses, rooms, and even pets. Truly a lovely book of hand-drawn designs. Even if I were not such a fan of Ms. Macomber's

work, I would love this coloring book. Most of the designs are detailed and a few have intricate parts which may be more challenging to color. The majority are much easier to color and most coloring mediums should work fine with coloring the details. For my first project, I am using a variety of markers and coloring pencils. The designs are by a team of artists, including: Juan Alarcon, Yvonne Gilbert, Mariko Jesse, Olivia Linn, Ben Perini, Paula Pertile, Sonia Pulido, and Monika Roe. You can tell from the varied artwork that more than one hand and imagination was involved. It makes for a more interesting coloring book as it gives you eight artists in one book. Here is an overview of what I found in the book and during my testing of mediums and coloring in this book: 45 Hand-drawn designs depicting scenes from Debbie Macomber books. Printed on one side of white, heavyweight lightly smooth non-perforated page.
