Nifty Fifty: 1000 Incredible, Random, And Useless Facts About America

Synopsis

Nifty Fifty is a huge list of 1000 of interesting and entertaining facts about the United States of America. Impress your friends, or practice for rounds of Trivial Pursuit or Jeopardy with many random bits of trivia such as: Every President with a beard was Republican. If North Dakota were to secede, it would become the world's third largest nuclear power. Woodrow Wilson's face is on the \$100,000 bill. And many more...

Customer Reviews

I absolutely loved this book! I read it in less than two days. It was like an American history review and a batch of great facts all rolled in to one. I highly recommend it.

Although I dispute some of the facts in this book, they are interesting and an enjoyable read. Recommended for the bathroom.

A good fact book, some proof reading errors, and many facts are not complete. It is still an easy read though.
