Constitutional Law And The Criminal Justice System

Synopsis

Market-leading CONSTITUTIONAL LAW AND THE CRIMINAL JUSTICE SYSTEM, 6th Edition, uses real-world illustrations, succinct case summaries, and proven learning tools to equip readers with a solid understanding of our often-complex Constitution and criminal justice system. Avoiding confusing "legalese", the book features more than 200 plainly written, summarized cases that introduce readers to the most influential and relevant cases. It also thoroughly covers the Fourth and Fifth Amendments, exploring their application to issues relevant to criminal justice: reasonable search and seizure, double jeopardy, and testifying against oneself. The sixth edition includes expanded discussions of the First and Second Amendments as well as cutting-edge coverage of such high-profile topics as immigration, terrorism/homeland security, death row, and many others.

Customer Reviews

This book was very informative. For those of you who are Constitutional theorist, critics, or hobbyist, this is the book for you. I pride myself on have a great working knowledge of the constitution, but was humbled by some of the information in the book. Some of it, I had to reference check to to be able to believe it. A great book for all..... Read it.

Textbook arrived promptly and I was thrilled to dive in! The product was on point and it eased my mind. Great price.

Another book for class.

I love it as much as you could for it being a textbook. It arrived and was brand new and hopefully will serve it's purpose for my class.

Great alternative to buying the book... rental was a lot cheaper. Saved me over \$100. Thanks

The layout is easy to read and to study.

Exactly the book needed for school

Grest quality .. great book
