Customer Reviews

This textbook is such an easy read and it gives multiple court cases to explain different laws, etc. I rented from and the textbook I received was used but had it not had the used sticker on it I would have assumed it was brand new. Very happy with my rental!

The book was ok; was a required text. What was amazing which warrants 5 stars is and their rental options. This was far and away the best price anywhere. I love the convenience of printing my own label and returning materials when it's convenience for me. Thanks!

The book gave great examples and was written in terms that most people will understand.

Amazing book. No tears, it was in perfect condition. It covered all of the topics that were related to my class sessions.
