Diary Of Steve The Noob 16 (An Unofficial Minecraft Book) (Minecraft Diary Of Steve The Noob Collection)

Synopsis

24,500 words with 47 pictures... Ah, at last, it is done! About time, huh? Sorry this one took so long, but as you can see by the word count and picture count, I got a good excuse. :DHmm... where did we leave off? It was something important... hmm... Ah! That's right! The enemy army is on the horizon! Read this book today to find out what happens next! Disclaimer: This book is a work of fanfiction; it is not an official Minecraft book. Customer Reviews

-----Introduction-----I know it took awhile for this book and the price is 2.99 (because file is over 3mb). But, THIS BOOK IS EPIC!!!-+-+-+---Ã Â About

the book (No
spoilers) Join steve as he gears up for battle against these strange
black skeletons! How can they possibly beat an army of that many skeletons with only 2 humans
and a couple villagers?! Will steve fail to protect the village? Does gavin have any tricks up his
sleeve? And most importantly, Who will win the battle?! Good v.s Bad, Death v.s Life. Find out in
Steve the Noob 16. This is the funniest book by far. SO MUCH SARCASM! :
)=====Story Time=====After I finished book 15 a was hoping
the next book would come out a day after but obviously that is not really possible. After about a
month I was beginning to worry-- Was Steve the Noob on vacation or was he-- I can't say it-- Ded
with an a after the e. I was hoping you were on vacation if not | Bad things, just bad things. One
night I went in my bed to search up Steve the Noob. And after about 6 weeks total the book came
out. I was ready to give a 3 star review until I saw it. (read "to the author" section for the
rest).
To The
Author
24,500 words. THAT'S ALMOST TRIPLE THE AMOUNT OF
NETHER KITTEN 5, AND MORE THE SIX TIMES THE LENGTH OF STEVE THE NOOB 1. Just
look at this process-- Amazing! Steve the noob is right where Cube Kid is-- At the top. Also thanks
for including one of my ideas in the book, the one about a spy for Gav- I mean "Noob Killa".

For readers: steve the noob is awesome his books are great he makes books that are fabulous he
always have great ideas and you can add on by reviewing and have some ideas i have some right
below-----ideas-----the next book they keep the becon
just in case then they get obsidian and diamonds and make a enchantment table to help fight mobs
steve asks tommy to make the wall thicker or ther could make a unlimited water source and keep
making obsidian but not destroying all the lava and make the wall obsidian and at the end cole
comes back and he can make a emerald golem a diamond golem any type of block golem also maby
sometime not in this book you could add this once gavin dies herobrine comes out of him and then
goes to the nether to plot to destroy the world but notch comes to the village to help and soon they
have a epic battle-----Summary-----the army comes and then
alex says to get all the gold iron emeralds and diamonds steve returns with around 100 emeralds and
20 gold then bob comes and has 60 iron then they build a becon to help fight then the the villagers
go down to the bunker and stay there the mayor needed more emeralds then grant gave him some

then cole is outside the wall steve comes to get him but cole wants him to put down redsone dust then they get ready for battle then gaven wanted to talk steve said no to surrendering so then they start firing arrows then harper is knocked down and steve went down to help her with his bone basher then they go back up and steve sleeps till morning then gaven uses a creeper to blow up the wall and they go to fight at the broken wall then the wither skeleton commander is a archerand is killing steve
