Customer Reviews

This is basically an overview. It did not help me on the final exams, and it did nothing for me on study for the California Bar FYLSX. I cannot recommend using this product. Instead, buy a Gilbert's Law Summary for the subject you want and a Case Brief Book to get what you need out of the subject matter. Best wishes for much success, always!

These CDs are fantastic! Listening to these will give you a firm foundation in starting 1L and in legal research and writing class. They don't teach you most of this stuff and you'll be expected to know it anyway. I don't have a lot of time to read, but I do have a long commute to listen and these have been a lifesaver!
