# **The Complete Works Of Mark Twain: The Novels, Short Stories, Essays And Satires, Travel Writing, Non-fiction, The Complete Letters, The Complete Speeches, And The Autobiography Of Mark Twain**

## Synopsis

This carefully crafted ebook: "The Complete Works of Mark Twain" is formatted for your eReader with a functional and detailed table of contents. This is The Complete Works of America's favourite storyteller Mark Twain. The eBook contains over 60 novels and shorter texts (short stories, essays, letters, speeches). Twain began his career writing light, humorous verse, but evolved into a chronicler of the vanities, hypocrisies and murderous acts of mankind. At mid-career, with Huckleberry Finn, he combined rich humor, sturdy narrative and social criticism. Twain was a master at rendering colloquial speech and helped to create and popularize a distinctive American literature built on American themes and language. Samuel Langhorne Clemens (1835 – 1910), better known by his pen name Mark Twain, was an American author and humorist. He wrote *The Adventures of Tom Sawyer* (1876) and its sequel, *Adventures of Huckleberry Finn* (1885), the latter often called "the Great American Novel."

## Customer Reviews

Don't get me wrong. I think Mark Twain is superb. However, the scanning of this copy seems to have skipped significant parts of some of the writings. I suggest, as an alternative, look for Complete Mark Twain Collection (300+ works) (Illustrated by Bob Henry) \$2.99 Kindle Edition

This book is defective. It's missing several pieces of text in Huckleberry Finn. A big chunk just where Hamlet's soliloquy is about to start, and another just before the town where they're arguing over plugs of chaw. Who knows what else is missing in other parts? Haven't read it all yet.

Haven't had a chance to read it, bought it on the strength of the title, but I have looked through the table of contents and something seems to be lacking. Where is his "Letters From the Earth"? I realize that was a posthumous publication, but it is still something he wrote, and its lack in this collection makes the title incorrect.

Considerable amount of missing text. Sometimes changing text size will recover the text. Poor delivery of great work.

Not "Complete", but the major works are here. There are some short pieces and essays which aren't here. The most notable piece not here is "No. 44, The Mysterious Stranger". The Mysterious Stranger (aka Chronicles of a Young Satan) is here. Many shorter pieces in the collection Letters From the Earth aren't here, including the second Fenimore Cooper essay, The Great Dark and A Cat-Tale. The most notable short stories not here are From the London Times of 1904 and The Eskimau Maiden's Romance, though there are some works listed whose titles I don't recognize, so some of these might be here under other titles. At the price, there's enough here to make it worth getting for me.

I am fan of American literature. Mark Twain has something for everyone. His work is rewarding teachable entertainment. Twain's writing is as fresh today as when it was written; the lessons of life are always there. I recommend this work to everyone.

Mark Twain, is Mark Twain, he's not lie any other write of any century. Of course I read Tom Sawyer and Huckberry Finn in high school. Bu that was a few decades ago. It's a treat to relive that age, and the writing skills of Mr. Clemens . If you have never read Mark Train, this complete anthogy is great.

Missing text. His letter to Henry Rogers in which he claims going to church gives him dysentery is not in here. It was this letter I need, prompting the buy of this book.
