Tort Law: Text And Materials

Synopsis

The fifth edition of this celebrated book brings together a selection of carefully chosen extracts from cases and materials with insightful author text. Each section begins with a clear overview of the law, followed by illustrating extracts from case law and from government reports and scholarly literature, which are supported by the authors' expert explanation and analysis. Opportunities for further research are highlighted by the many suggestions for additional readings that are woven throughout the text. This approach enables students to gain a rich and contextual understanding of the law of tort.

Customer Reviews

it's a good textbook on Tort. If its Kindle version can be enabled with text-to-speech feature, it will be very great then.

This is required reading for me, but I find it easy to read and easy to follow. I have read other tort law books (Prosser and Keaton on Torts) Text and Casebooks, but this one is the BEST I have read. I don't have to re-read EASY TO UNDERSTAND!
