Customer Reviews

Seems like a fun book. I read a review of it in the LA Times and bought it for my son for Father's Day this year. He wears goofy socks to work even when he has on a suit and tie. I love it. I wish I could have bought the socks from the front of the book.

Wonderful book. After reading, passed it on to my son.... Along with some (what else?) Socks.

Loved the book. It is a gift for my son. Hope he joins the sock club.

Thanks :-)
