The Antichrist And A Cup Of Tea

Synopsis

THE ANTICHRIST AND A CUP OF TEA presents the fascinating saga of the British Monarchy's centuries-long endeavor to establish a "New World Order," and for the first time, gives hard evidence to suggest the identity of the AntiChrist.

I read Mr. Cohen's book and I must say that it is well researched. He tries really hard to prove his case but there were a lot of things in the book that, at some points, I found far-fetched. For example, he refers to Odin the Norse God as Satan. My question was, now how could he possibly know that? I also noticed that many of his references are conspiracy theorists themselves (I.E. John Coleman and Gary Kah)these authors and their books you can see right here on . I noticed that they have written similar books in regards to the Committee of 300, New World Order, and the Illuminati. The heraldry aspect really facinated me. I must admit I did learn a lot about heraldry from it but Cohen's details failed to convince me. Take for example, the front picture of this book and note the the Dexter supporter (the lion) and then read Rev. 13:1-2 in the KJ Holy Bible. I will note Rev. 13:2 here, "And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority". First, I thought that being born a Prince gave him automatic royal authority and then the picture of the lion, well it looks like a skinny lion to me. If it did have a body of a leopard where are the spots? You can judge for yourself but I had a hard time buying it. Next, I noted the Sinister supporter (the unicorn) and then I read Daniel 8:5-8 as Mr. Cohen suggested. First, why is it found in Daniel and

not in Revelations? In Daniel 8:5 it says "And as I was considering, behold, an he goat came from the west on the face of the whole earth, and touched not the ground: and the goat had a notable horn between his eyes.

An incredible job of Research. The only thing I believe Tim overlooked was Prince Charles birthday. It has totally altered my view of the "End Times" scenario. I hope Hal Lindsay and company read Tim's book!(Messiah) was born 6 months after John the Baptist (WITNESS). Israel is the (WITNESS) to the Church. Charles, Prince of Wales,(Anti-Messiah ?) was born 6 months to the day!!!, after Israel. May 14 1948---November 14 1948. Satan counterfeits everything God does. That's what Anti-Christ literally means, counterfeit Messiah!God is always associated with the # 3, (trinity). Messiah (Jesus) began his ministry at 30. His ministry was for 3 1/2 years. He was crucified (1 of 3) at the age of 33, in Jerusalem, the Holy City of God, (elevation 3,000 ft.) He was raised on the 3rd day. (Too many others to mention). It would make sense that Satan would have his Messiah, (counterfeit) associated with the # 6. Man was created on the 6th day. Satan would then have his (Anti-Messiah) revealed at 60 years old. 666= 6 (man) trying to be God (3). The Anti-Christ's (Counterfeit Messiah) ministry will be for 3 1/2 years just as Jesus, but instead of being "cut-off", (creating a new Covenant with the Jews), he will be revealed as who he really is, when he breaks his 7 year covenant with Israel. Read about The Abomination of Desolation in The Book of Revelation. This is when the wrath of God begins, and all Hell breaks loose. Nov. 2008 plus 3 1/2 years (42 Months) = May 2012. Interestingly, this would coincide with the Mayan Calendar date of 2012. (Read the Koran and how the 12th Imam will make peace with the Jew for 7 years). Interesting how there were 12 tribes of Israel and 12 Apostles with Jesus. With all the other evidence Tim Cohen has put forth, this is too much to ignore as chance.

This book is not a run of the mill book on the AntiChrist. It is entirely unique in the genre. While I consider this to be the foremost book on the subject EVER written, I am providing this review primarily to address some errant comments as well as shed much needed light on the subject of Tim Cohen's work. Two assertions have been made that are simply incorrect. First, one individual asserts "the idea that Tim seems to share is that the anti-Christ (one person) has two horns because of the verse; 'he had two horns like a lamb but spoke like a dragon.'" Actually, the opposite is the case. In "The AntiChrist and a Cup of Tea," Tim does not apply the cited verse to the AntiChrist at all, but rather to the coming false prophet. Furthermore, he suggests that the final pope of Rome will likely fulfill that role (i.e., will be the false prophet who works in tandem with the

AntiChrist), not Prince Charles. Second, the same individual states matter of factly, "Not that Charles could not be [the AntiChrist], in future, this person, but presently he has none of the criteria of anti-Christ." Actually, Tim Cohen provides a HUGE amount of irrefutable BIBLICAL evidence to demonstrate that ALL of the prophecies pertaining to the coming AntiChrist that can be fulfilled BEFORE he assumes control over a global government during the Great Tribulation, ARE already fulfilled in Prince Charles, and this is true of no one else, not even the prince's sons William and Harry. For example, Prince Charles has the lineage: he claims descent simultaneously from Israel's King David, Islam's false prophet Mohammed, and, by way of a false occult lineage, Jesus Christ Himself!
